## WHAT IS EVOLUTION?

Much like its name, each year the Evolution challenge changes. What we do know is that takes place over 7 miles and 3,000 acres!

## WHO'S IT FOR?

Evolution is designed for Explorers or Rangers, aged over 14. Entrants can come from anywhere in the country (or the world!)

## WHAT HAPPENS?

On Friday night take on 'Just Another Quiz Show' or dance the night away in The Venue. You can also chomp away on a delicious array of treats from The Cafe.

On Saturday, it's time for Evolution! Who will evolve to overcome our challenges?

In the evening you can again visit The Venue or The Cafe, plus we have the Evolution Fair!
