

International Fund

To promote and to provide financial assistance to ensure young people and adults are able to attend major international camps such as Jamborees.

Skills Development Fund

To provide support for the development and strengthening of Scouting skills in Districts across the County, e.g. camping and activities.

Promoting Scouting Fund

To provide resources to support the promotion of Scouting in Districts across the County.

Equipment Fund

To provide key items of Scouting equipment within the County and to fund their periodic replacement, e.g. camping and activity equipment.

Loan Fund

A quick bridging fund to supplement County/District/Group/Unit funds to facilitate emergency repairs to fixed assets owned by County/District/Group/Unit within the County.

County Events Fund

Throughout the year there will be a number of County Scouting events, e.g. camps organised by the ACCs. All these events are planned to break even. However in a number of cases they will require some funding up front before the event, e.g. a deposit to secure a booking for a campsite. Such up front funding must be included in the budget for the event and will be expected to be re-paid from the funds raised for the event. They can thus be regarded as short term loans to enable County events to be held.

Irene Warner Fund

To support Scouting in rural Herefordshire

All Applications

Please talk to 'your' District Commissioner before applying and then please make sure that the application goes through your District Commissioner to the County Commissioner, County Chairman or County Treasurer on the attached form.

Approval

By agreement of the County Executive or a sub-committee appointed by them.
