

Introducing the team...

The Regional Services Team works alongside new and existing volunteers and in partnership with local communities, supporting the growth of local Scouting to provide life changing adventure to even more young people.

The Regional Services Team work in the following areas to grow and develop Scouting:

Growth

- The opening of new Sections, Units and Scout Groups in communities across England
- Grow your Group (providing tools and initiatives to growing existing Scouting provision)
- Adult recruitment workshops (to support the increase of more adult involvement).

Supporting key line managers

- Group Scout Leader Essentials (Induction events) and existing manager support events
- District Commissioner inductions
- County Commissioner appointment searches and inductions
- Supporting Regional Commissioners and County Commissioners on growth and development initiatives.

Resource Officer (Based at Gilwell Park)

- Providing resources, advice and remote support for the appointment of District Commissioner searches.
- Providing resources and advice for the appointment of Group Scout Leader searches.
- Providing support to the digital delivery of certain elements of the District Commissioner Induction.

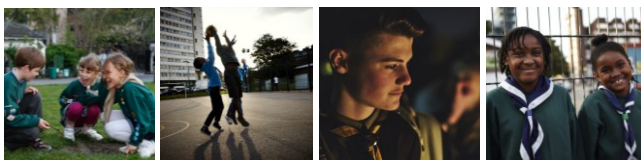

Conferences and events

- Delivering growth and recruitment workshops and sessions at locally organised events
- Delivering development planning workshops and sessions at locally organised events.

Support to growth facilitators

- Supporting Assistant Regional Commissioners (ARC) (Growth) to grow Scouting.
- Contributing to the Induction of Growth Facilitators.
- Assisting ARC (Growth) with identification and creation of development plans.
- Assisting the ARC (Growth) with the identification of new provision.
- Advising on the planning and implementation of funded development projects.
- Supporting local development volunteers to grow Scouting.
- Delivering recruitment training and induction opportunities.
- Delivering new provision training and induction opportunities.
